Meat And Bone Bandsaw

GoHunt **Meat and Bone Bandsaw** is a robust cutting solution ideal for the food industry. These state-of-the-art band saws stand out with their elegant design, reliability, efficiency, and safety standards. Crafted with food grade stainless steel, the meat cutting bandsaw can offer different types of cutting bands specifically designed for cutting any type of meat, either fresh or frozen, with or without bones, fish and poultry. The saw blade, made in Sweden, ensures consistently precise, uniform and clear cuts without splintering, and the smooth inner surface simplifies cleaning. With features such as automatic blade tensioner, thickness adjustment stopper, and maximum safety provisions, GoHunt band saw is designed for optimal performance.
